Information Bulletin No 1. to all Clubs/Leagues/Coaches

INTERSTATE CHALLENGE 2010 .

As we are getting closer to this popular get together, PFA felt that it would be fitting to start providing you with detailed information so that you may start your preparation for these championships, if you haven't already started.

CRITERIA

We hope that you are getting the selection process under way to select your best team for these championships, we felt that you should know the criteria for selection for your teams

1. Each State has the right to present 2 teams of 8 players to these championships
(a) 1 "all ages team" consisting of 5 men and 3 women
(b) 1 "over 60" team consisting 5 men and 3 women
(c) 2 coaches
(d) 1 Delegate
2. The teams will consist of 8 players, 5 men and 3 Women
3. Only 1 (one) Junior (15 to 17 years of age)per team will be allowed

SELECTION PROCESS

PFA will not interfere with the selection process for your State teams, However, players taking part in any selection process must hold a current PFA player's license for the duration of the process. and , must also satisfy the overseas representation policy.
Their PFA licenses should have been renewed or obtained (for new players) through their respective Clubs, before the end of July 2010.
PFA will accept appeals from players if they can prove that attenuating circumstances prevented them from renewing their licenses by the due date. The appeal must have the support of their Clubs, Leagues and coaches in their States.
Any appeals must be submitted to the Secretary of the League of their State by the end of August 2010.
In the case of Victoria and Tasmania, appeals must be sent to the Secretary of PFA by the same date.

More on the Interstate Challenge will be communicated to you in the form of Information Bulletin that will be posted on the PFA web site.
Your's truly
Marcel Philogene
