Division 2

Top 4 teams promoted to Division 1 for next round.

Individuals score points for each game won.

Club points are allocated to a team finishing in the top 12 in Division 1, and to a team finishing in the top 6 in Division 2.

Club points go to the player from a club, even in a mixed team.

Medals and wine to winning team in each division.

Wine to runners-up.

POINTS:

Division 1		Div 2	
1 st	30 team (10 player)	24	
2 nd	24	18	
3 rd	18	15	
4 th	15	12	
5 th 6 th	12	5 th	9
7 th 8 th	9	6 th	6
9 th 10 th	6		
11 th 12 th	3		

NO MORE THAN TWO TEAMS FROM A CLUB MAY SCORE POINTS IN A DIVISION.

Team positions are held by the CLUB. It is up to the Club to nominate which players fill that team.

In the case of a mixed team, the nominated team Captain holds the position.

So, if players miss a round, it is up to their club to arrange where they will play in the next round.

A nominated member of the club is responsible for nominating teams to the Tournament Director before the event.

Club members who cannot form a team are to attempt to form a team with players from other clubs, but not to turn up at registration and expect the League to organise a team for them. See Adrian for any further clarifications.
