

SAPL - Memo October 07.
Welcome all to Round 2 of the SAPL 2007/08 season.

Congratulations and thank you to the **Gawler Petanque Club** on the hosting of their inaugural Interclub competition.

Fantastic weather and company, along with a new competition format made it a very pleasant day for all whom attended.

The only hiccup was running the gauntlet across the paddock and incurring the wrath of those swooping plovers....
